

USER MANUAL FOR TrackMate

Once all the installation part is done, App icon will appear on the Home screen of the device.
Just click on it , You will see this screen:

The screenshot shows a mobile application interface for creating a new account. At the top, there is a dark header bar with the word "signup" on the left and a three-dot menu icon on the right. Below the header, the title "Create A New Account" is displayed in a large, bold, dark font. The main area of the screen is light gray and contains five input fields, each with a label above it: "Email Id", "Password", "First Name", "Last Name", and "Phone Number". Each input field is represented by a horizontal line. At the bottom of the form, there is a gray button with the text "CREATE THE ACCOUNT" in white capital letters. The top of the screen shows a status bar with various icons including a flag, a USB symbol, a battery level indicator, a Wi-Fi signal, cellular signal bars, a battery percentage of 49%, and the time 1:40 AM.

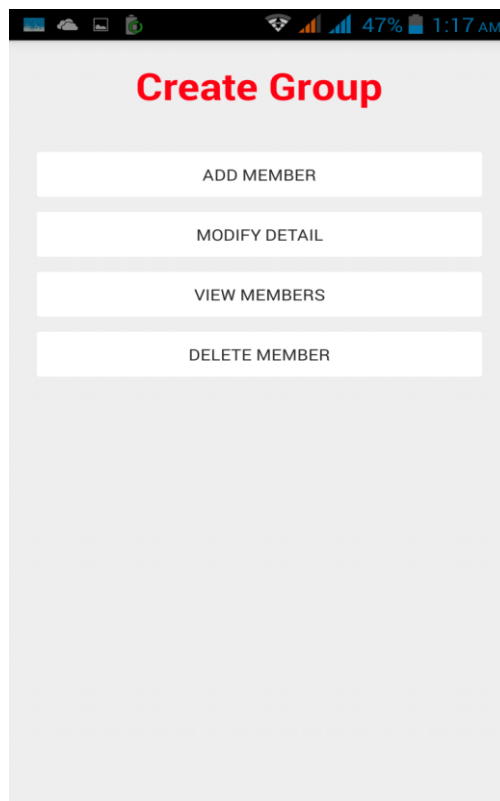

After successful account creation with valid Information, login activity is launched, which is as below:

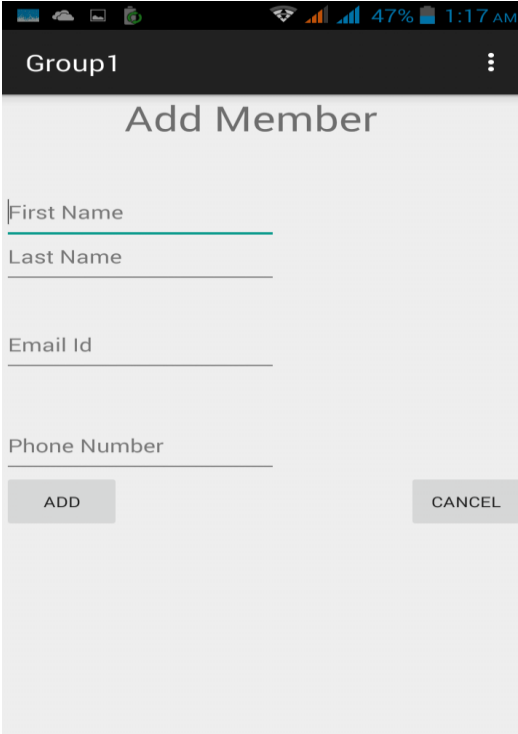

After Successful login, Welcome Screen is Launched which is shown below:

Next to create groups, click on Group Activity Button, then you will see this screen:

Next to add a new group member, click on add member button, then you will see this screen:
